

Nursing and Midwifery Council

Agreed Removal Decision

Registrant: Andria Harrison

PIN: 82F0582E

Part(s) of the register: Registered Nurse – Adult Nursing

Relevant Location: Greater Manchester

On 19 August 2022 we received a referral raising a concern about Andria Harrison's fitness to practise. The referral gave rise to a concern that Andria Harrison has a health condition capable of impairing her fitness to practise.

We investigated the issue and the matter was referred to the Fitness to Practise Committee. No allegation against Andria Harrison has yet been found substantively proved by one of our statutory committees. On 8 January 2024 Andria Harrison made an application for agreed removal from the NMC register.

ASSISTANT REGISTRAR'S DECISION

As an Assistant Registrar, I have delegated authority to make decisions about agreed removal and have agreed to removal from the NMC register in this case.

In accordance with Rule 14 of the Nursing and Midwifery Council (Education, Registration and Registration Appeals) Rules 2004, in considering Andria Harrison's application for agreed removal, I've taken into account:

- the medical evidence
- the case examiner decision letter
- the schedule of charge
- the interests of Andria Harrison
- the public interest.

We sought to contact the person that made the allegation against Andria Harrison for their comments on the application for agreed removal. No comments were received within a reasonable period.

I'm satisfied that:

- Andria Harrison no longer intends to work as a registered nurse
- the allegations against Andria Harrison are not so serious as to be fundamentally incompatible with continued registration
- there are no other good reasons requiring us to consider the allegations further at this time

- the public interest is best served by allowing Andria Harrison's name to be removed from the NMC register by agreement.

This record of decision will be published for twelve months from the date of the decision, **9 February 2024**. In the event that Andria Harrison seeks readmission to the register, we may consider the matters that led to this agreed removal further.
