[Review of decisions

7A.—(1) All or part of a decision by the Case Examiners or the Investigating Committee that there is no case to answer in respect of an allegation that a registrant's fitness to practise is impaired (a "no case to answer decision") may, if reached on or after 9th March 2015, be reviewed by the Registrar under this rule.

- (2) The Registrar may carry out such a review if the Registrar—

- (6) Where, as a result of the review, taking into account any information or representations referred to in paragraph (3) and such other matters as the Registrar considers appropriate, the Registrar decides that—
 - (a) all or part of the no case to answer decision was materially flawed and that a fresh decision is required in the public interest; or
 - (b) the new information referred to in paragraph (2)(b) would have probably led wholly or partly to a different decision and that a fresh decision is required in the public interest,

the Registrar must take one of the decisions referred to in paragraph (7).

- (7) Those decisions are—
 - (a) to substitute, for all or part of the no case to answer decision, any decision which the Case Examiners or the Investigating Committee could have made under Part 2 of these rules; or
 - (b) to refer to the Case Examiners for reconsideration by them under rule 6C, an allegation that a registrant's fitness to practise is impaired.

- (9) Having taken one of the decisions referred to in paragraph (7) or having decided in accordance with paragraph (8), the Registrar must, as soon as reasonably practicable after having done so and in writing, notify—
