

Nursing and Midwifery Council

Agreed Removal Decision

Registrant: Shona Gracie

PIN: 89F0040S

Part(s) of the register: Registered Nurse – Adult Nursing

Relevant Location: Lanarkshire

On 8 July 2022 we received a referral about Shona Gracie's fitness to practise. The referral gave rise to a concern that Shona Gracie has a health condition which could affect her ability to practise safely.

We investigated the issue and the matter was referred to the Fitness to Practise Committee. No allegation against Shona Gracie has yet been found substantively proved by one of our statutory committees.

On 14 February 2024, we received an application from Shona Gracie for agreed removal from the NMC Register.

ASSISTANT REGISTRAR'S DECISION

As an Assistant Registrar, I have delegated authority to make decisions about agreed removal and have agreed to removal from the NMC Register in this case.

In accordance with Rule 14 of the Nursing and Midwifery Council (Education, Registration and Registration Appeals) Rules 2004, in considering Shona Gracie's application for agreed removal, I've taken into account the:

- agreed removal application form dated 14 February 2024,
- investigation report and associated documentation,
- supplementary investigation report and associated documentation,
- case examiner decision letter dated 7 February 2024,
- the interests of Shona Gracie,
- the public interest.

We sought to contact the person that made the allegation against Shona Gracie for their comments on the application for agreed removal. No comments were received within a reasonable period.

I'm satisfied that:

- Shona Gracie no longer intends to work as a registered nurse,
- the allegations against Shona Gracie are not so serious as to be fundamentally incompatible with continued registration,
- there are no other good reasons requiring us to consider the allegations further at this time,
- the public interest is best served by the immediate removal of Shona Gracie's name from the NMC Register.

This record of decision will be published for twelve months from the date of the decision, 04 April 2024. In the event that Shona Gracie seeks readmission to the Register, we may consider the matters that led to this agreed removal further.
