The panel was of the view that the public would remain suitably protected by the implementation of the following conditions:

For the purposes of these conditions, 'employment' and 'work' mean any paid or unpaid post in a nursing, midwifery or nursing associate role. Also, 'course of study' and 'course' mean any course of educational study connected to nursing, midwifery or nursing associates.

1. You must restrict your employment to Rotherham Doncaster and South Humber NHS Foundation Trust ('the Trust').
2. You must not be the nurse in charge of any shift at any time.
3. You must have monthly meetings with your line manager/supervisor/mentor to discuss:
 - Safeguarding;
 - Manual handling;
 - Management of challenging situations; and
 - Record keeping.
4. You must provide a report from your line manager/supervisor/mentor of these meetings and send a copy to your case officer before the next review hearing.
5. You must keep the NMC informed about anywhere you are studying by:
 - a) Telling your case officer within seven days of accepting any course of study.
 - b) Giving your case officer the name and contact details of the organisation offering that course of study.

6. You must immediately give a copy of these conditions to:
 - a) Your current employer
 - b) Any establishment you apply to (at the time of application), or with which you are already enrolled, for a course of study.

7. You must tell your case officer, within seven days of your becoming aware of:
 - a) Any clinical incident you are involved in.
 - b) Any investigation started against you.
 - c) Any disciplinary proceedings taken against you.

8. You must allow your case officer to share, as necessary, details about your performance, your compliance with and / or progress under these conditions with:
 - a) Your current employer.
 - b) Any educational establishment.
 - c) Any other person(s) involved in your retraining and/or supervision required by these conditions

The panel decided to confirm this interim conditions of practice order and it will run for the remainder of the current interim order. The investigation is still in its early stages and there has been no update from the police since 9 November 2021 due to the impact of covid-19 affecting investigations.

Unless Mrs Goodall's case has already been concluded, this interim order must be reviewed before the end of the next six months and every six months thereafter. Additionally, Mrs Goodall or the NMC may ask for the interim order to be reviewed if any new evidence becomes available that may be relevant to the interim order.

At any review, the reviewing panel may revoke the interim order or any condition of it, it may confirm the interim conditions of practice order, or vary any condition of it, or it may replace the interim conditions of practice order with an interim suspension order.

In certain circumstances, it may be possible for the interim conditions of practice order to be reviewed by a reviewing panel at an administrative meeting. Mrs Goodall's case officer will write to her about this in due course.

The NMC Case Examiners are yet to decide whether there is a case to answer in relation to the allegations made against Mrs Goodall. The NMC will write to Mrs Goodall when the case is ready for the next stage of the fitness to practise process.

This will be confirmed to Mrs Goodall in writing.

That concludes this determination.
