Decision and reasons on interim order

The panel decided to replace the current interim suspension order with an interim conditions of practice order.

Therefore, the panel decided to replace the current interim suspension order with an interim conditions of practice order. As such it determined that the following conditions were proportionate and appropriate:

For the purposes of these conditions, 'employment' and 'work' mean any paid or unpaid post in a nursing, midwifery or nursing associate role. Also, 'course of study' and 'course' mean any course of educational study connected to nursing, midwifery or nursing associates.

At any review, a reviewing panel may revoke the interim order or any condition of it, it may confirm the interim conditions of practice order, or vary any condition of it, or it may replace the interim conditions of practice order with an interim suspension order.

In certain circumstances, it may be possible for the interim conditions of practice order to be reviewed by a panel at an administrative meeting. Your case officer will write to you about this in due course.

The NMC Case Examiners are yet to decide whether there is a case to answer in relation to the allegations made against you. The NMC will write to you when the case is ready for the next stage of the fitness to practise process.

This will be confirmed to you in writing.

That concludes this determination.
