## Decision and reasons on interim order

The panel decided to make an interim conditions of practice order for a period of 18 months.

As such it has determined that the following conditions are proportionate and appropriate:

1. *You must limit your nursing practice to Liverpool Marie Curie Hospice.*
2. *You must not be involved in the management, handling and/or the administration of medicines.*
3. *You must keep the NMC informed about anywhere you are working by:*
  - a) *Telling your case officer within seven days of accepting or leaving any employment.*

- a) *Any current employer.*
  - b) *Any educational establishment.*
  - c) *Any other person(s) involved in your retraining and/or supervision required by these conditions.*

Unless your case has already been concluded, this interim order must be reviewed before the end of the next six months and every six months thereafter. Additionally, you or the NMC may ask for the interim order to be reviewed if any new evidence becomes available that may be relevant to the interim order.

At any review the reviewing panel may revoke the interim order or any condition of it, it may confirm the interim order, or vary any condition of it, or it may replace the interim conditions of practice order with an interim suspension order.

The NMC Case Examiners are yet to decide whether there is a case to answer in relation to the allegations made against you. The NMC will write to you when the case is ready for the next stage of the fitness to practise process.

This will be confirmed to you in writing.

That concludes this determination.
