## **Decision and reasons on interim order**

The panel decided to confirm the current interim suspension order.

Unless there has been a material change of circumstances, a panel will review the interim suspension order at an administrative meeting within the next six months. The reviewing panel will be invited by the NMC to confirm the order at this meeting and Miss Moorcroft will be notified of that panel's decision in writing following that meeting.

Where there has been a material change of circumstances that might mean that the order should be revoked or replaced, or there has been a request for an early review, a panel will review the interim order at a hearing which Miss Moorcroft will be invited to attend in person, send a representative on Miss Moorcroft's behalf or submit written representations for the panel to consider. At any such review hearing the panel may revoke the interim order, it may confirm the interim suspension order or it may replace it with an interim conditions of practice order.

A panel of the Fitness to Practise Committee has still to deal with the allegations made against Miss Moorcroft. The NMC will keep Miss Moorcroft informed of developments in relation to that issue.

This decision will be confirmed to Miss Moorcroft in writing.

That concludes this determination.
